

1967 Mercedes-Benz 250sl aut LHD

Maker: MERCEDES-BENZ

Model: 250sl

Vehicle type: convertible

Description: £98000.00 1967 Mercedes-Benz 250sl, automatic, LHD.

Almost completed, just had a major overhaul mechanical and body work. Complete new paint job, sprayed with MB906 metallic blue, finished with brand new Navy blue interior, soft top and Hardtop included. Many new parts fitted, including new rubber seals, and anything else that was required to make it looking good and functional. The car will be supplied with full MOT, fully serviced and reliable, I strongly think it's a great price for the condition all around. Buy from specialist with more than 20 years of experience in these cars, don't believe many other business in UK been working only with SL's for that long!

Year of issue: 1967

Mileage: -----

Price: 79950 GBP £
